Dear Mr Groom,

**The London Borough of Barnet (Brent Cross Cricklewood) Compulsory Purchase Orders (Nos 1 & 2) 2015 – Public Inquiry**

**CPOs REFs 75474 & 74575**

Here is my statement of case has spoken on the phone with yourself on 30/03/2016

- There has been a lack of information regarding the development over the Past 8years
- Contaminated land has been over looked refer to scot Wilson report BXC17 march 2007/2008
- The living bridge: general power of competence and more please refer to Localism Act 2011
- I am objecting to the location of the Living Bridge: I suggest that it should be allocated elsewhere and was previously, so the Whitefield estate could remain intact.
- air pollution and urban air quality again refer to scot Wilson report BXC17 march 2008
- CPO powers have not been exercised has last resort, no justification what so ever CPO is premature.
- There is no compelling case economic social and environmental well being.
- Predetermination in decision-making by council.
- Unequal treatment, build to rent for commercial markets.
- No Social housing and affordable housing for people in need.

- Affordable rent will be Unaffordable to people on low incomes.
- A real lack of 3 bedroom houses on the south side development with gardens.
- Discrimination between old and new communities.
- Unrealistic offers to lease holder, house holder and land holder.
- Undemocratic decision-making.

I would also accompany all objection with any documentation necessary, and would be grateful if you would also bear in mind that I may need to bring witnesses if necessary and representative of my case.
