The London Borough of Barnet (Brent
Cross Cricklewood) Compulsory Purchase
Order (No2) 2015.

I make an objection to the Compulsory
purchase Order (Brent Cross Cricklewood) on
the following ground.

- Personal Impacts - Lack of knowledge, lack of information, disagree with the way the project is developing and the changes involved. Having no details of what is to be under an Assured Tenancy.
- I want to be moved within the area I live
- I object against an increase in rents.
- I object an increase in service charges. I would like the services charges to be kept at the current level.
- Object losing of Right to buy. I want the Right to Buy to be transferred to my new accommodation. I want to retain the same level of discount at which I can exercise my Right to Buy.
- Object the Assured Tenancy.
- I object moving ~~the~~ to the Housing Association. I want my landlord to be Barnet Homes.
- I would like to transfer the right to manage my own property as it is under the local Authority.

Thanks.

Yours faithfully.
