

Welsh Government  
**M4 Corridor around Newport**  
October 2017 Environmental  
Statement Supplement  
Erratum

M4CaN-DJV-EGN-ZG\_GEN-RP-EN-0050

At Issue | 25 October 2017

# 1 Erratum

---

The following paragraphs were omitted from Section 4 of the October 2017 Environmental Statement Supplement and should be inserted accordingly.

## 4.5 Reptiles

**4.5.7** The EIA being undertaken separately under the Town and Country Planning Act legislation as part of the consenting process for the port relocation works will include mitigation measures for reptiles on land adjacent to or within the relocation area.

**4.5.8** A pre-construction survey or inspection will be undertaken of the survey area described in Appendix 2.5 to refine the reptile mitigation.

## 4.6 Invertebrates

**4.6.8** The EIA being undertaken separately under the Town and Country Planning Act legislation as part of the consenting process for the port relocation works will include mitigation measures for invertebrates on land within the relocation area.

**4.6.9** A pre-construction survey or inspection will be undertaken of the survey area described in Appendix 2.6 to refine the invertebrate mitigation.
