Dear Sir

M4 Corridor around Newport

I am writing regarding the proposal for the new M4 Corridor around Newport (CAN)
I wish to express my total support for the Welsh Governments proposals as published for the new M4 motorway

As someone that lives in Newport I see every day the disruption that the of the M4 through Newport causes and to my mind it is the single biggest infrastructure issue in South wales today, and the implementation of a solution is way overdue.

It will also encourage new businesses to locate in South Wales if they know they will have good access to the south east of England and beyond

I sincerely hope that the scheme will progress successfully through the remaining statutory process so that construction can commence as soon as possible

Yours faithfully

Owen Jones
