Dear Sir

**M4 Corridor around Newport**

I am writing regarding the proposal for the new M4 Corridor around Newport (CAN) as I wish to express my support for the current Welsh Gov proposed route.

I work away from home and when I travel bch on the weekend without fail the M4 traffic when I reach Newport is awful which often causes me immense disruption and stress at the time of the week when I should be able to wind down and relax, I dread the journey.

I hope that construction can commence as soon as possible for the sake of everyone who shares my journey.

Yours faithfully

**Lewis Jones**
