Dear Sir

M4 Corridor around Newport

I am writing regarding the proposal for the new M4 Corridor around Newport (CAN) as I wish to express my support for the current Welsh Gov proposed route.

Almost every time I use the M4 there is heavy traffic either side of the tunnels, I dread to think how much money is being lost by the Welsh economy due to delays caused and businesses being put off by this risk to their supply chain.

I hope that the scheme will progress successfully through the remaining statutory process so that construction can commence as soon as possible.

Yours faithfully

Caroline Jones
