Dear Sir

M4 Corridor around Newport

I am writing regarding the proposal for the new M4 Corridor around Newport (CAN)
I wish to express my support for the current Welsh Gov proposed route.

Almost every time I use the M4 there is heavy traffic either side of the tunnels and the M4
CAN scheme is the very overdue solution to this issue in my eyes.

I really hope that the scheme will progress successfully through the remaining statutory
process so that construction can commence as soon as possible.

Yours faithfully

Peter Jones
