Dear Sir/Madam,

Re: M4 Corridor around Newport

I wish to express my opinion as 100% in SUPPORT of the proposed published route of the M4 corridor around Newport.

It is wholly positive to ensure that this new M4 is built.

Personally: I travel regularly along the M4 from Tenby to my son in London and other family members in England. I need to be able to travel without the current regular congestion/hold ups and additional travel time, especially around the Brynglas Tunnels and Newport areas.

Pembrokeshire: I do not need to inform you that Tenby and Pembrokeshire rely heavily on Tourism! Our visitors, who are vital to our local economy, also need to access the area quickly, safely and trouble free. Vehicles delivering goods would hugely benefit from the new improved M4 allowing reduced journey time and deliveries that arrive on time.

These points are a few of my views in SUPPORT of the new M4.

I thank you for your consideration in this and urge those concerned in decision making to ensure that the M4 comes to fruition.

Yours faithfully,

Mrs Amanda Edwards
