Dear Sirs

RE: M4 CORRIDOR SOUTH OF NEWPORT

Following the recent publication of Draft Orders for the above project, I am writing to support the Welsh Government's proposals, as published, i.e. the 'Black Route'.

DLP Surveyors are a South Wales-based firm of property consultants who advise a range of investment, corporate and developer clients throughout Wales. We witness first-hand how the congestion on the existing M4 has a negative impact upon investment into south Wales and as such fully support the published proposals which will alleviate this issue.

In our opinion, only the Black Route can provide what is required, i.e. a safe and resilient primary route around the bottleneck that is the Brynglas Tunnels.

Yours faithfully,

MICHAEL BRUCE BSc. (Hons.) MRICS
