Dear Sirs

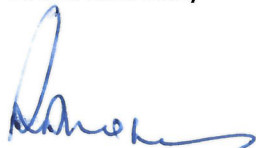

### **M4 Relief Road/Corridor around Newport**

I understand that you are currently considering the above.

I represent a firm of Chartered Surveyors who have been active in the promotion of all forms of property throughout Wales for over 100 years.

Something must be done soon to relieve the congestion of the M4 through S.Wales, particularly the Newport section. We believe "Black Route" offers the best solution and would thus support the Welsh Governments proposals as published

Yours faithfully
