Dear Sir/ Madam,

I am writing to you to show my support for the M4 Corridor around Newport.

I travel to work in Cwmbran every day from Cardiff and experience constant delays and see countless traffic collisions on the M4. I have seen the planned route and I would look forward to seeing the benefits of the road being safer and also reduced congestion and therefore less delays.

Having worked previously at Celsa Steel in Cardiff, and currently at Festive Productions Ltd, I know how much it will positively affect the economy. There are large cost implications to businesses as a result of traffic problems causing failed or late deliveries. The Welsh Governments proposed project would help to alleviate these issues.

I strongly support this scheme proposed by the Welsh Government and hope to see the project implemented.

Yours sincerely,

Jessica Edwards
