Not so much a question as being unsure how/where to make my views known. Since the 1970s weve been waiting for someone to fix the M4 problem around Newport. It needs a proper motorway, not another half-baked fix on the cheap. Weve had visitors from Holland and Germany who say theyve never experienced traffic congestion like it. Please do whatever it takes to give South Wales a joined up motorway solution thats fit for purpose in the 21st century.
