Dear Sirs

M4 Corridor Around Newport

Following the recent publication of Draft Orders for the above project, I am writing to support the Welsh Government's proposals, as published, i.e. the 'Black Route'.

As owners of Wentloog Corporate Park, Euroclad Investments Ltd have an interest in many businesses throughout Wales and across the UK. Being land owners in Wales; the condition of the M4 greatly effects our ability to attract customers to our site. Many businesses will simply not invest in the area due to the logistic issues they would suffer as a result of the poor standard of the existing M4.

In our opinion, only the Black Route can provide what is required, i.e a safe and resilient primary route around the bottleneck that is the Brynglas Tunnels.

Yours faithfully

David Nicholas Owen Williams OBE
Chairman
