Dear Sirs

RE - M4 CONGESTION AROUND NEWPORT

I am writing in support of the Welsh Government's proposal for the so called 'Black Route' to provide a suitable route around the bottleneck at the Brynglas Tunnels.

We are a business that relies heavily on the M4 to bring supplies into our factory and send our goods to market in east Wales and beyond into **all** areas of England. The congestion that is currently experienced around the Brynglas Tunnels can cause delays that leads to some damage to our reputation, and thereby negatively impacts on our costs.

Sigma 3 Kitchens fully supports the proposals, published by the Welsh Government, in favour of a safe and resilient 'Black Route'.

Yours faithfully

P.P.
