Dear Sirs

M4 Corridor South of Newport

Following the recent publication of Draft Orders for the above project, I am writing to support the Welsh Government's proposals, as published, i.e. the 'Black Route'.

Curzon Real Estate owns the former LG Electronics site in Newport, now occupied by a number of major UK companies who have chosen to consolidate and expand their operations here in Newport. The promise of the M4 Relief Road was a major factor in the decision to locate here and is an issue constantly raised with us, hence we fully support the published proposals.

In our opinion, only the Black Route can provide what is required, i.e. a safe and resilient primary route around the bottleneck that is the Brynglas Tunnels.

Yours faithfully

N J C Griffith
