Dear Sir

M4 Corridor around Newport

I am writing regarding the proposal for the new M4 Corridor around Newport (CAN)
I work in Newport and as such will be affected by the proposed motorway.

I experience delays on the existing M4, and if you extrapolate the cost of these delays, it must be costing the Welsh economy millions.

This M4 CAN scheme was being discussed when the second severn crossing was opened, so is long overdue and in my view will be massively beneficial to business in South Wales. It will also encourage new businesses to locate in South Wales if they know they will have good access to the south east of England and beyond.

I sincerely hope that the scheme will progress successfully through to completion at the earliest opportunity

Yours faithfully
