Dear Caroline Flint,

Statement of Case, Weatherby Crossing, Newmarket

The above railway level crossing is very important to me. I use it regularly. I need to be able to continue to cross the railway because I live in Green Road and have an allotment in Cricket Field Road.

I do not have a car so driving to the allotment is not an alternative.

I am a carer for my husband so the allotment is a break from my caring duties. Fresh vegetables and fruit are obviously very important to the health of both of us.

A walkway-bridge would be an acceptable alternative at the site of the present level crossing.

Yours faithfully
