

Inspector's Revised Ruling on Filming at the Inquiry

Having considered the submissions made by parties wishing to film the remainder of the Inquiry, those objectors that are due to appear at the Inquiry and the Council's acceptance of filming from a fixed position in such a way as not to disrupt the proceedings, I have revised my ruling on filming to the following:

Marcus Relton and Caterina Sartori are given permission to film the remainder of the Inquiry from a single fixed spot, subject to there being no resulting disruption to the Inquiry.
