Ref: OBJ/139

Dear Mrs Barker,

I write in response to the objection (ref: OBJ/139) in respect of the proposed Network Rail (East West Rail Bicester to Bedford Improvements) Order (the Order).

Network Rail is aware of the concerns raised by local residents, Woburn Sands Town Council (WSTC), local councillors and Milton Keynes Council (MKC) relating to the proposed closure and diversion of the Woburn Sands School Crossing and, in response to which, held an event on 5 December 2018 to give local residents further information about its proposal for the School Crossing, and an opportunity to question the project team.

Network Rail continues to investigate measures which could address concerns in relation to connectivity and access over the railway for users of the level crossing and will continue to engage in dialogue with stakeholders on this subject.

Yours sincerely,
