Dear Sirs

### Transport and Works Act Order

I act on behalf of Fredrick and Christopher Morris who are the owners of land shown on plan 133735-2B-EWR-LXD-TWAO-DR-T-00026 shown as numbers . No consultation has been undertaken with my clients in respect of the works that are required to their land. We therefore wish to object as we have had no information about why there is a need for purchase and what mitigation measures could be put in place.

Network Rail has failed in their process of consultation with us as we have had very little information about the need for this land. We therefore at this time wish to formal object to the Transport and Works Act Order due to the harm and loss that it could cause our client.

Your sincerely

A handwritten signature in black ink that reads 'Andrew Jenkinson'.
