Subject: East West Rail TWAO Representation - Cox, Folly Cottage and Grange Farm, Station Road, Launton

Importance: High

Dear Sirs,

I write in relation to the above. Generally my clients have no objection to the proposals but as an affected landowner I make the following comments on their behalf:

1. In an e-mail from Bobby Singh (EWR) on 05/02/18 he confirmed that the flood plain scrape would be removed from the TWAO plans. I note that plan 4/136 parcels 0217 and 0223 are still included where they should be removed as this has previously been agreed.
2. Regarding the reseeded of any parcels (note plan 4/136 parcel 0205 on in particular) unless otherwise agreed all seeds sown are to be commercially available stocks from existing suppliers and further more my client is fully indemnified against rogue and injurious plants / seeds and weeds being brought on site. Furthermore my client is to be indemnified against any remedial action required by them to rectify and issues brought about from poor seed stocks.
3. We expect that all existing gateway entrances from Station Road will be retained given they serve existing fields and barns whether erected or not
4. My client owns and resides at _____ but also _____ All postal correspondence is to be sent to _____ Launton, Bicester

Please confirm receipt of this response.

Kind regards,

Andrew
