Dear Rt Hon Mr Grayling,

Buckinghamshire County Council welcomes the opportunity to respond to Network Rail's Transport and Works Act Order (TWAO) application for East West Rail Phase 2. The Council are in principle supportive of this scheme and are keen to see the project progress, however we have some significant concerns, particularly around Traffic and Transport that need to be addressed prior to TWAO approval. For this reason, the Council's response is that of a holding objection.

Pleased find our formal response attached.

Kind regards,  
Ben Stutman
