Dear Sir or Madam

Transport and Works Act 1992

Application for the proposed Network Rail (East West Bicester to Bedford Improvements) Order

We act for Arnold White Estates Limited, Cloud Wing UK Limited and Hanson Packed Products Limited and write further to our letter dated 7 September 2018 and your letter dated 11 September 2018. We can confirm that our clients are statutory objectors.

Our clients are in discussions with Network Rail Infrastructure Limited ("NRIL") and hope to be able to reach an agreement which would enable them to withdraw its objection to the above application.

If agreement cannot be reached our clients wish to appear at any inquiry or hearing held to consider the application and to give oral evidence in support to the inquiry if so advised. Our letter of 7 September 2018 should be treated as our clients' statement of case in relation to the application.

Yours faithfully
