

**Comparison Table between the 2007 Compulsory Purchase Inquiries Procedure Rules  
(2007No.3617)  
and the River Arun Inquiries Rules**

The Power to hold an inquiry is found in s69(1) and Schedule 3, paragraph 3 of the Land Drainage Act 1991 (the 1991 Act) but there are no rules provided by Parliament for this type of Inquiry: therefore it is proposed that these rules are based on the Compulsory Purchase (Inquiries Procedure Rules) 2007 (CPO Rules 2007),<sup>1</sup> suitably modified to the key provisions below.

This Table is to assist in helping with identifying the key differences, if any between the CPO rules and those governing this Inquiry.
